

North Zulch ISD Technology Standards for Teachers
(From the Texas State Board for Educator Certification)

Standard I: All teachers use technology related terms, concepts, data input strategies, and ethical practices to make informed decisions about current technologies and their application.

Standard II: All teachers identify task requirements, apply search strategies and use current technologies to efficiently acquire, analyze and evaluate a variety of electronic information.

Standard III: All teachers use task appropriate tools to synthesis knowledge, create and modify solutions and evaluate results in a way that supports the work of individuals and groups in problem solving situations.

Standard IV: All teachers communicate information in different formats and for diverse audiences.

Standard V: All teachers know how to plan, organize, deliver and evaluate instruction for all students that incorporates the effective use of current technology for teaching and integrating the Technology Applications Texas Essential Knowledge and Skills (TEKS) into the curriculum.

Local Standard I: North Zulch ISD will also adopt the ISTE Standards of Technology in Teaching (The ISTE Standards can found at the following link:
<http://www.iste.org/standards/ISTE-standards/standards-for-teachers>)

Adopted on this the 10th day of September, 2015

~~Charles Drake~~, Board President

Brian Baker V. President
